Framework Agreement Title	Maximum End Date	Framework Agreement Details
Business Services Framework Agreements		
Our Business Services Framework Agreements are designed to support back-office functions within the NHS and wider public sector to free-up resource and deliver efficiencies to frontline healthcare and public services.		
Audit Services for Health	08/09/2029	Through our Audit Services for Health Framework Agreement, NHS and wider public sector can identify areas of risk and inefficiency, enabling improved productivity and reduced waste, while also mitigating financial risks by detecting and preventing fraudulent activity, safeguarding public funds.
Consultancy and Advisory Services for Health	17/03/2028	The Consultancy and Advisory Services for Health Framework Agreement provides healthcare, corporate, social value and sustainability, IT, HR and property consultancy services to the NHS and wider public sector.
Internal and External Audit, Counter Fraud, and Financial Assurance Services	15/09/2025	The Internal and External Audit, Counter Fraud, and Financial Assurance Services Framework Agreement includes large well-established providers, small and medium-sized businesses, and boutique services, covering a wide range of specialisms such as external audit, internal audit, counter fraud, well led governance and ancillary services.
Legal Services for Health	31/07/2027	The Legal Services for Health Framework Agreement offers a streamlined route for the NHS and wider public sector to procure high-quality legal advice across a wide range of

		specialisms, including healthcare law, employment, property, commercial, and more.

Construction and Estates Framework Agreements		
Modern, efficient infrastructure is vital for improving patient care and public services. We combine clinical innovation, operational excellence and best-in-class Construction & Estates Framework Agreements to help the NHS and wider public sector tackle today's biggest challenges.		
Building Safety and Fire Compliance	13/02/2029	The Building Safety and Fire Compliance Framework Agreement provides services from passive and active fire safety to asbestos management and PAT testing for the NHS and wider public sector, from a range of pre-approved, compliant suppliers, ensuring that your buildings are safe for patients, visitors and staff.
Decarbonisation of Estates	12/01/2029	The Decarbonisation of Estates Framework Agreement supports both the NHS and wider public sector in achieving its decarbonisation plans by providing the building blocks to get net zero plans off the ground.
Design, Furniture and Appliances 2	07/02/2028	The Design, Furniture and Appliances 2 Framework Agreement meets the furniture needs of the NHS and wider public sector, ensuring spaces are accessible and aligned with socio-economic needs. It supports sustainability outcomes through waste reduction by focusing on reuse, repair and hire options and inclusion of recyclable packaging. It also introduces the ability to flexibly hire products.
Grounds Maintenance and Associated Services	13/11/2028	The Grounds Maintenance and Associated Services Framework Agreement provides a compliant and sustainable solution for grounds maintenance and associated services for the NHS and wider public sector. Customers have the ability to select a single service solution or a bundled service solution to meet their operational needs.
Hard Facilities Management 2 (Hard FM)	11/10/2026	The Hard Facilities Management 2 Framework Agreement provides Estate, Facilities and Capital teams across the NHS and wider public sector with a compliant route to market

		for the provision of hard facilities management services from a wide range of specialisms, utilising both SME and national providers, to deliver either a single service, a bundled service, or provide a one-stop shop for a wide range of services.
<u>Healthcare Planning, Construction Consultancy and Ancillary Services</u>	13/08/2027	The Healthcare Planning, Construction Consultancy and Ancillary Services Framework Agreement provides a compliant route to access construction consultancy services for the NHS and wider public sector organisations. It covers construction consultancy services for traditional design build, new build and refurbishment projects.
<u>Linen and Laundry</u>	20/11/2028	The Linen and Laundry Framework Agreement supports both NHS and wider public sector organisations to reduce the environmental impact of linen and laundry services and improve operational efficiency. It focuses on reducing road miles, energy reduction, water usage, chemical use and the repairing and recycling of old linen, supporting the NHS to reach its goal of net zero, and enabling the safe reuse of linen for cost efficiencies.
<u>Modular Buildings 3</u>	11/06/2029	The Modular Buildings 3 Framework Agreement provides a compliant route for the purchase, hire or lease of modular buildings for the NHS and wider public sector.
<u>PS-Works: Public Sector Construction Works</u>	16/12/2027	The PS-Works Framework Agreement provides the NHS and wider public sector clients a compliant route to market for the provision of quality and value for money construction works projects. It provides pricing structures such as overheads and profits, design fees and rate cards for members of staff and is suitable for design and build, build only and refurbishment projects.
<u>Security Services, CCTV and VSS</u>	13/11/2028	The Security Services, CCTV and VSS Framework Agreement has been created to meet all the operational requirements and challenges of operating in both a healthcare and wider public sector environment. It provides the ability to procure responsive and flexible security solutions that can operate in a challenging environment, and a comprehensive safe and effective system of monitoring and supporting lone working staff, including staff call systems.
<u>Sustainable Healthcare Recycling and Waste Management</u>	23/10/2027	The Sustainable Healthcare Recycling and Waste Management Framework Agreement offers a broad range of waste management solutions for the NHS and wider

		public sector. It provides a quick, simple, and compliant procurement route to market for sustainable waste management centred around the principles of the waste hierarchy.
Sustainable Transport and Infrastructure	19/11/2027	The Sustainable Transport and Infrastructure Framework Agreement provides a quick, simple and compliant procurement route to the market for sustainable transport and Infrastructure solutions for the NHS and the wider public sector. It covers electric vehicle charging, cycle and car park infrastructure as well as transport consultancy and car park management and maintenance.

Digital & IT Framework Agreements		
Our Digital and IT Framework Agreements are designed to support the NHS and wider public sector to deliver the 10 Year Health Plan for England. We provide the tools you need to free up capacity, reduce the patient backlog, create efficiencies, modernise services, and improve patient and visitor experiences.		
Artificial Intelligence (AI) Software in Neuroscience for Stroke Decision Making Support	12/11/2026	The Artificial Intelligence (AI) Software in Neuroscience for Stroke Decision Making Support Framework Agreement provides artificial intelligence (AI) software that supports the analysis of medical imaging for ischaemic or haemorrhagic strokes enabling clinicians to diagnose and treat strokes faster and more reliably.
Audio Visual Solutions and Integrated Operating Theatres 2	16/11/2027	The Audio Visual Solutions and Integrated Operating Theatres 2 Framework Agreement supports both NHS and wider public sector organisations by providing access to a broad range of audio-visual and integrated technology solutions that enhance service delivery, collaboration, and operational efficiency.
Cloud Solutions 2	24/04/2028	The Cloud Solutions 2 Framework Agreement addresses the challenges of sourcing a cloud solution by providing a means of digitation and infrastructure for the NHS and wider public sector to maintain and future-proof cloud systems.
Digital Health Advisory	24/03/2028	The Digital Health Advisory Services Framework Agreement helps the NHS and wider public sector augment the digital,

		data and technology (DDaT) skills and capabilities of its workforce. It provides a simple and cost-effective means to address the NHS' immediate and short term DDaT expertise needs at pace, compliantly and cost-effectively.
Intelligent Automation	19/11/2027	The Intelligent Automation Framework Agreement supports the adoption, implementation, and on-going development of intelligent automation (IA) for the NHS and wider public sector. It offers access to services and software that will address a wide range of intelligent automation solutions. Intelligent automation is a developing technology due to its capacity to increase efficiency, reduce costs and risks and improve quality and customer/patient experience.
Medicines Optimisation Prescribing Decision Support Systems 3	07/03/2028	The Medicines Optimisation Prescribing Decision Support System 3 Framework Agreement provides a compliant route for GPs and practice pharmacists to access a computerised system, which increases the effectiveness, safety, and cost effectiveness of prescribing medicines.
Patient/Citizen Communications & Engagement Solutions	28/02/2026	The Patient/Citizen Communications and Engagement Solutions Framework Agreement helps NHS and wider public sector organisations deliver timely, personalised communications that empower citizens and improve operational efficiency. It covers one-and two-way communications for patients and citizens through a range of solutions and communication channels; digital (online) communications, email, SMS, interactive voice response (IVR), agent calls, hybrid mail, surveys & feedback (e.g., friends & family test) and workforce communications.
Tech Devices – Link 4	31/03/2029	The Tech Devices – Link 4 Framework Agreement supports the NHS and wider public sector to quickly and compliantly source the latest devices and technology, enabling you to implement the latest systems or utilise refurbished equipment to enhance efficiency.
Technology Enabled Care Services 2	08/01/2027	The Technology Enabled Care Services 2 (TECS2) Framework Agreement underpins the shifts in the 10-Year Health Plan for England by supporting the NHS and wider public sector by providing technology that can help to ease the pressure, improve patient care, and support remote monitoring.

Health Framework Agreements

Our Health Framework Agreements are designed to align to key areas within the NHS and wider public sector. They are compliant with the Provider Selection Regime (PSR) and Procurement Act 23 and support you to address the challenges detailed in the 10 Year Health Plan for England, Lord Darzi's independent investigation and NHS England's delivery plan for recovering urgent and emergency services.

Acute and Community Health and Social Care Equipment Products and Services	31/12/2025	The Acute and Community Health and Social Care, Equipment, Products and Services Framework Agreement offers a broad range of medical products and services, including the provision of beds/mattresses for both acute and community, wheelchair products and services, continence home delivery, daily living aids and moving and handling equipment (lifts and hoists) that can be utilised by the NHS and wider public sector.
Advanced Wound Care and Lymphoedema Products and Services	01/08/2026	The Advanced Wound Care and Lymphoedema Products and Services Framework Agreement can be utilised by the NHS and wider public sector and includes dressings, bandages, haemostats, hosiery, dressing packs, therapies, digital solutions and 24–48-hour delivery. It also has a selection of qualified managed service and professional service suppliers for organisations to procure services from.
Artificial Intelligence (A.I), Imaging and Radiotherapy Equipment, Associated Products and Diagnostic Imaging	13/03/2026	The Artificial Intelligence (AI), Imaging and Radiotherapy Equipment, Associated Products and Diagnostic Imaging Framework Agreement looks to capture methods and processes that can improve diagnostics, and assist and relieve workloads. It covers a broad range of areas including artificial intelligence products and services, diagnostic equipment, medical imaging equipment, dental, women's health, urology, medical imaging storage and archiving, resource and performance management.
Clinical Managed Services including Managed Maintenance Services	07/01/2028	The Clinical Managed Services including Managed Maintenance Services Framework Agreement provides comprehensive coverage within the area of managed service provision. It includes diagnostics, diagnostic imaging, renal, catheter laboratories, decontamination,

		and maintenance services. It also includes a Lot for maintenance services and a Lot for consultancy services.
<u>Contrast Media Including Injectors and Associated Products</u>	25/03/2028	The Contrast Media Including Injectors and Associated Products Framework Agreement covers contrast media, contrast injectors and ancillaries / associated products.
<u>Decontamination Services and Solutions</u>	09/03/2027	The Decontamination Services and Solutions Framework Agreement covers outsourced decontamination and sterilisation of surgical instruments which can either be on site or off site and includes the cleaning, reprocessing, repair, and sterilisation of surgical instruments to support surgery and other activities. It also includes the provision of equipment for the reprocessing of high-level disinfection of probes.
<u>Drugs of Abuse and Point of Care Testing</u>	08/06/2027	The Drugs of Abuse and Point of Care Testing Framework Agreement helps the NHS and wider public sector procure a variety of tests and associated services, including rapid drug testing kits, back to lab testing, pandemic testing, blood borne virus (BBV) and liver function testing, dried blood spot drug & alcohol testing, alcohol testing devices, continuous monitoring and associated consumables, operational outsourcing of services and family law services.
<u>Insourcing of Clinical Services</u>	02/07/2027	The Insourcing of Clinical Services Framework Agreement supports the use of insourcing across the NHS to secure extra clinical capacity to meet increasing demand. This short to medium term solution allows Trusts to retain capacity planning in-house and ensure patients can be seen within the Trust.
<u>Medical Gases in Cylinders and Bulk Gases</u>	31/01/2026	The Medical Gases in Cylinders and Bulk Gases Framework Agreement covers medical gases in a variety of cylinder sizes and for bulk gases, including oxygen, nitrous oxide, nitrous oxide and oxygen, CO2, air/oxygen mix, specialist gases including liquid oxygen, heliox and nitric oxide.
<u>Mental Health, Learning Disability and Autism: Assessment and Diagnosis, NHS Talking Therapies and Crisis Services</u>	13/04/2029	The Mental Health, Learning Disability and Autism: Assessment and Diagnosis, NHS Talking Therapies and Crisis Services Framework Agreement provides access to the NHS and wider public sector for a wide range of mental health, learning disability and autism services to reduce waiting times and increase capacity through an outsourced model.

<u>Orthotics Products and Services including Prosthetic Services</u>	08/10/2027	The Orthotics Products and Services including Prosthetic Services Framework Agreement allows for the provision of stock, modular and bespoke products. Nine lots cover upper and lower body orthoses for adult and paediatric patients.
<u>Patient Discharge and Mental Health Step Down Beds (Care) Services</u>	16/07/2027	The Patient Discharge and Mental Health Step Down Beds Services Framework Agreement Patient Discharge and Mental Health Step Down Beds (Care) Services Framework Agreement can facilitate the transfer of patients from hospital beds to a more appropriate level of care, to free-up much needed hospital beds. It helps to streamline the transition from hospital to the community/care homes, therefore reducing delayed transfers of care and unavoidable re-admissions.
<u>Radiopharmaceuticals Products</u>	30/09/2025	The Radiopharmaceuticals Products Framework Agreement covers radiopharmaceuticals which are agents used to diagnose medical problems and treat diseases.
<u>Reporting Services – Teleradiology</u>	17/08/2027	The Reporting Services – Teleradiology Framework Agreement supports the use of teleradiology services to meet the current and future needs of NHS radiology reporting. It supports early diagnosis of patients through the timely turnaround of medical imaging scans.
<u>Respiratory Therapy Products – Equipment and Consumables</u>	31/12/2025	The Respiratory Therapy – Equipment and Consumables Framework Agreement covers sleep apnoea; asthma and COPD support; products to support respiratory therapy, a managed service provision and home delivery provision.
<u>Surgical Robots, Consumables and Related Services</u>	30/04/2026	The Surgical Robots, Consumables and Related Services Framework Agreement includes; robotic surgery, related services and consumables. Robotic surgical systems consist of robotic arms with laparoscopic instruments, where doctor sits a few feet away from operating table at a computer console viewing 3D visual of operating region.

NHS Shared Business Services Limited

Registered in England, No. 5280446

Registered address: Three Cherry Trees Lane, Hemel Hempstead, Hertfordshire, HP2 7AH

ABOUT US

NHS Shared Business Services (NHS SBS) was created in 2004 by the Department of Health and Social Care (DHSC) to deliver corporate services to the NHS. A unique joint venture with Sopra Steria, a European leader in digital services and software development, we make life easier for NHS employees, patients and suppliers, and deliver value for money to the taxpayer.

Proud members of the NHS family, we provide finance & accounting, procurement and workforce services to more than half the NHS in England. Sharing common values and unity of purpose with the rest of the NHS family, our solutions are underpinned by cutting-edge technologies and our teams' expertise, in-depth understanding of the NHS, and commitment to service excellence.
