Weekly Payroll

Supporting staff retention and financial wellbeing through salary flexibility

Recruiting and retaining staff, and reducing bank and agency costs continue to be key areas of focus for cost reduction.

Being paid weekly, rather than monthly, is popular with employees as it gives them greater flexibility and control over their over their financial wellbeing. Weekly payment is often one of the main reasons staff choose to work for agencies.

Weekly Payroll from NHS SBS delivers:

Improved productivity

Our Weekly Payroll service can reduce absenteeism, increase morale and generally improve employee wellbeing as it's often seen as an additional benefit.

Improved staff retention and reduced bank and agency costs

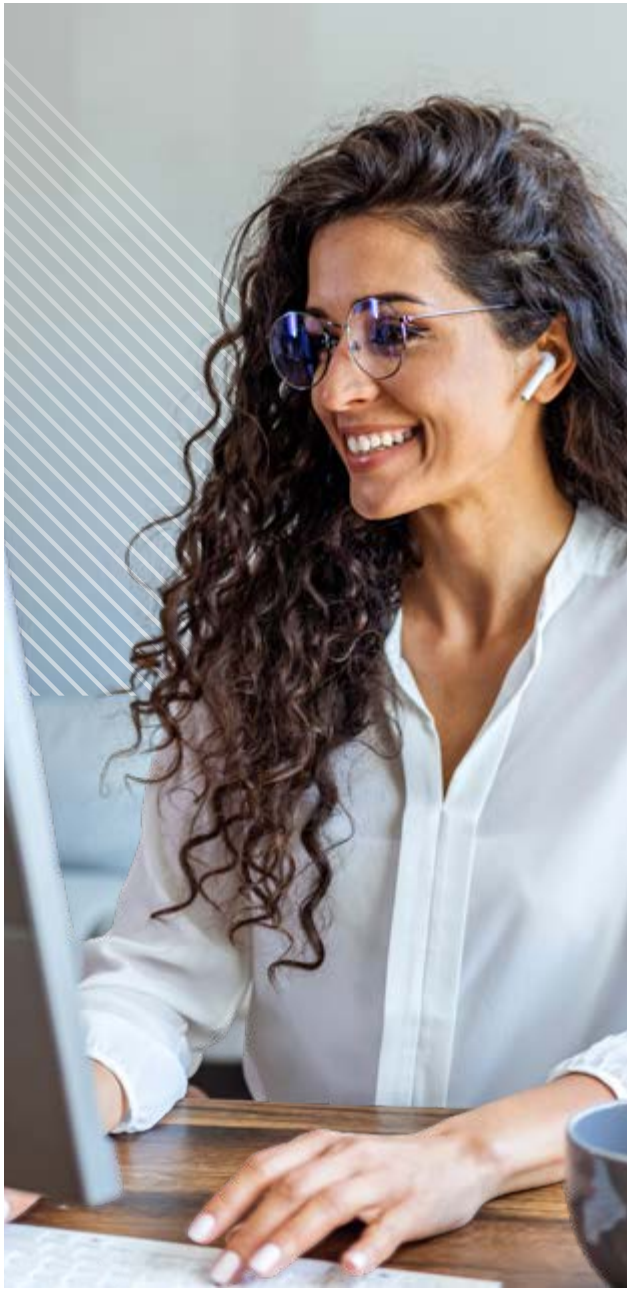

More frequent pay can be an important incentive for employees to join, or remain with, NHS organisations. Hourly-paid staff particularly value the flexibility, especially if finances are tight.

Cost savings

Weekly Payroll from NHS SBS could save your organisation up to 40%* on operational costs via automation efficiencies and transfer of responsibility savings.

Quick and easy set up

No fuss set-up allows organisations to quickly realise the benefits of offering weekly pay to their employees.

We also offer a Weekly Expenses service. For more information please visit our website:
