

# Urology Products and Associated Support Provision

Reference: SBS/17/RC/FXB/9180

## Potential saving opportunities 2%

### When does it start?

3<sup>rd</sup> October 2017 – 2<sup>nd</sup> October 2020 plus 1 year extension

### Who can take advantage?

NHS and Public Sector organisations

### About this agreement

This is a multi Lot framework covering a variety of Urology products and associated support provision and is suitable for both Acute and Community use.

This framework has been put together with a strong clinical focus, informed by an expert clinical stakeholder group, and provides access to products and services through established suppliers, and also through SMEs.

The framework is split into Lots as follows:

Lot 1 – Catheter Valves

Lot 2 – Sheath Systems

Lot 3 – Urine Drainage (including 2 litre drainage bags, 500ml leg bags and urine meters)

Lot 5 - Foley Catheters and Supra Public Catheter Set(s)

Lot 6 – Nelaton and Intermittent Catheters

Lot 7 – Faecal Management

Lot 8 – Lubricant and Anaesthetic Gels

Lot 9 – Bladder Irrigation

Lot 10 – Accessories

Lot 11 – Dispensing Appliance Contractor Service (DACs)

### Benefits of using this agreement

#### EASE OF USE

Flexible to allow direct award or mini-competition where required.

#### CLINICAL SPECIALIST LED PROCUREMENT

Extensive engagement with multi-disciplinary clinical Nurse Specialists, including Continence and Urology Leads, and Medicines Management to ensure a strong patient focus.

#### SUPPLIER FLEXIBILITY

The freedom and flexibility to choose the suppliers awarded the agreement.

#### AGILE FRAMEWORK

The appointed suppliers will be able to bring forward new products within the scope of their awarded Lots throughout the life of the agreement, subject to clinical evaluation and approval.

#### MINI COMPETITION

Opportunity to run a mini competition off the back of the framework agreement to meet the bespoke requirements of each organisation and drive down pricing.

#### CENTRALISED AGREEMENT

For direct purchase with contract management and supplier communication included.

#### CONTRACT MANAGEMENT

Supplier performance, customer satisfaction and spend against this contract are monitored on an ongoing basis by NHS SBS.
