

Contract Information

Teleradiology Reporting Services

Reference: SBS/18/SF/JAF/9340

9%-24% saving

When does it start?

1st February 2019 to 31st January 2023 (1 year extension from 2022)

Who can take advantage?

All NHS and wider public sector organisations across the UK.

What does it cover?

This framework aims to support the increasingly popular use of Teleradiology services to meet the current and future needs of NHS radiology reporting and support early diagnosis of patients through the quick turnaround of medical imaging scans.

The framework covers the following service elements:

- Provision of Emergency, Routine, Specialist and Backlog Teleradiology reporting
- Service provision 24 hours a day, 7 days a week, 365 days a year
- Provision of both insourced on-site services and outsourced reporting services
- Reporting on CT, MRI and Plain film reporting services including but not limited to:
 - Nuclear Medicine
 - Ultrasound
 - Fluoroscopy
 - Mammography
 - Oncology
 - Neurological
 - Paediatric
 - Musculoskeletal
 - Urology & Gynaecology
 - Calcium Scoring
 - Thoracic
 - Gastrointestinal
 - Colonoscopy
 - Coronary
 - Angiography
 - Mammography
 - Cardiac
 - Stroke
 - Polytrauma

Why should I use it?

- **Widest range of suppliers on any Framework in the Market**

A range of **13 suppliers** on the Framework utilising both **outsourced and insourced** arrangements, providing 'On Demand' teleradiology services for **Routine, Emergency, Specialist and Backlog reporting**.

- **Out of Hours**

Services can include out of hours service provision to report on medical images **24 hours a day, 7 days a week, 365 days a year** providing a **fast, responsive and quality assured service**.

- **Reduced Overheads & Increase Capacity**

Teleradiology services provides radiology reporting electronically and so can result in **reduced overheads** and **increased capacity** to meet national demand.

- **NHS Experienced Radiologists and Radiographers**

A minimum **2yrs of NHS experience** for all radiologist and radiographers through the framework

- **OJEU Avoidance**

A detailed procurement exercise has taken place to ensure that suppliers selected are appropriate in terms of meeting all legislative requirements and therefore **no formal tendering is required**, saving valuable time & money in the procurement process.

- **Direct Award or Mini Comp**

The agreement gives freedom and flexibility for all participating Authorities to choose the suppliers they wish within the remit of the Agreement and Direct Award without further competition.
