## When does the framework start?

2<sup>nd</sup> September 2019 – 2023

## Who can take advantage?

NHS, Local Authorities, Police, Educational establishments and other Public Sector Organisations

## Overview

The cloud solutions framework provides a simple, OJEU compliant route to purchase cloud infrastructure and cloud optimisation solutions for NHS and public sector authorities.

The framework provides access to 24 carefully selected suppliers and offers bespoke and off-the-shelf solutions from cloud solution design and as-is assessment to end-to-end cloud solutions.

- **Lot 1** Solution Design and Consultancy
- **Lot 2** Infrastructure as a service (IaaS), Platform as a service (PaaS) and Software as a service (SaaS)
- **Lot 3** Cloud Support Services
- **Lot 4** End-to-end Cloud Solutions

## What are the benefits of using the framework?

### LONG-TERM CONTRACTING

Framework users are permitted to call-off for up to 7 years.

### AGILE & INNOVATIVE FRAMEWORK

Suppliers will be able to bring forward new products and solutions throughout the life of the agreement.

### DIRECT AWARD

Ability to directly award a contract to approved suppliers.

### MINI COMPETITION

Opportunity to run a mini competition to meet the bespoke requirements of each organisation as well as helping to drive further competitive pricing.

### ACCESS TO OGVA PRICING

OGVA pricing can be accessed via appointed AWS partners.

### NHS & WIDER PUBLIC SECTOR

Available for use by the NHS **and wider public sector** including government, education authorities and local councils.

### HIGHEST QUALITY OF SERVICE PROVISION

Twenty Four selected Suppliers – award was restricted to the Top 10 or 20 outstanding Suppliers per Lot following a rigorous tender process.

### SIMPLE TO USE

Structured to guide customers through their cloud journey from consultancy and readiness assessment to the procurement of cloud infrastructure and on-going support.

### 'ONE STOP SHOP'

Includes a wraparound end-to-end cloud solution (Lot 4) for organisations requiring more support.
