
When does it start?

The agreement is valid from 1st April 2020 and Expires on 31st March 2024 (inc. extensions)

Who can take advantage?

All public sector organisations across the UK.

What does it cover?

The Outsourced Clinical Services Framework allows Approved Organisations to purchase additional clinical capacity and allow patients to be seen and treated by an alternative provider at their facilities for either the full patient pathway or elements of it as required.

Clinical services cover all HRG codes and Treatment Function Codes, all clinical specialties, as well as additional services such as administrative support, patient booking services, theatre provision and support.

- Clinical Services covering all HRG Codes and Treatment Function Codes
- Full national coverage across all STP Regions
- Pathology and laboratory services and testing
- Additional support services
- Triage, Pre-Assessments and post-operative follow ups and physiotherapy
- Administrative services
- Patient Booking Services and communications
- Facilities, theatre and equipment provision
- Step Down and Recovery Beds
- Discount structure depending on requirements

Why should I use it?

- **Ability to Purchase Additional Clinical Capacity**

Allows Approved Organisations to purchase additional clinical capacity while retaining capacity planning in house, allowing patients to be seen and treated within compliant timeframes

- **Waiting List Reduction**

Allows Approved Organisations to reduce waiting lists by allowing patients to be seen and treated by an alternative provider

- **Wide range of Providers, Specialties and Services**

Wide range of Providers from NHS Trusts to small and large Independent Sector Providers with the ability to provide all HRG and TF Codes with providers covering all STP Regions

- **Mini Competition**

Opportunity to run a mini competition off the back of the framework agreement, in order to meet the bespoke requirements of each trust

- **Supplier Flexibility**

The agreement gives freedom and flexibility for all participating Authorities to choose the suppliers they wish and Direct Award within the remit of the Agreement

- **OJEU Avoidance**

A detailed procurement exercise has taken place to ensure that suppliers selected are appropriate in terms of meeting all legislative requirements and therefore no formal tendering is required, saving valuable time & money in the procurement process.

- **Agile Framework**

The appointed suppliers will be able to bring forward new products & Services throughout the life of the agreement.

Outsourced Clinical Services
