

## Contract Information

# Digital Workplace: Hardware (Link 3)

Reference: SBS10044

## Potential saving opportunities 20-27%

### When does it start and finish?

1st March 2021 and runs until 28th February 2023

### Who can take advantage?

All public sector organisations across the UK, including the NHS, Local Authorities, the Education sector, Charities, Blue Light Organisations, Housing

### Why should I use it?

#### • COMPETITIVE PRICING

Supplier range ensures Approved Organisations are supplied with IT solutions tailored to their needs, with innovative 'Device as a Solution' offerings, and 'Core Basket' item prices fixed for a minimum of 2 years.

#### • UPGRADES

Upgrade of specifications over lifespan of agreement.

#### • COST SAVINGS

By adopting a collaborative approach this enables lower pricing and cost-savings; by sharing the costs of programme management and procurement support.

### What does it cover

End User Client devices & Accessories:

- Desktop PCs
- Laptops/Notebook devices
- Mobile Devices (Tablets, Mobile phones & Wearables)
- Specialist Healthcare related IT Hardware
  - PC/Laptop Carts and Peripherals
  - Clinical Displays and Peripherals
- Printers/Scanners
- One-Stop Shop

Throughout the lots sustainable IT, deployment and support services are available

#### • MINI COMPETITION

Customers are available to conduct a direct call-off or undertake a mini-competition.

#### • VARIED SUPPLY BASE

A total of 19 suppliers have been awarded to the framework which include manufacturers, resellers, and specialist medical IT providers.

#### • QUALITY ASSURANCE

The framework provides assurance of supply for all IT hardware covered under the agreement and is fully PCR2015 compliant and was advertised in the OJEU.
