Potential Volume Based Discount on average over 2%

**When does it start?**
9th January 2015 until the 8th January 2019

**Who can take advantage?**
All NHS SBS Members and Associate Members

**What Does It Cover?**
The Domestic, Commercial Products & Appliances framework covers all products ranges within each of the 11 lots, covering Furniture, White Goods, TV & AV, Catering Equipment, Soft Furnishings and anti-ligature Successful suppliers’ whole range in each area has been included and can be purchased, and has been uploaded onto GHX Nexus.

**Why should I use it?**
- **Ability to Call Off Directly**
  Trusts have the ability to directly call off a supplier from their desired lot, saving trusts time and resources in running their own tender processes
- **Volume Based Discounts**
  By consolidating their spend for each individual lot, trusts will be able to obtain a Volume Based Discount in the form of a rebate
- **Cost Savings**
  Reduction in prices compared to trusts sourcing the market individually
- **Freedom and Flexibility**
  Flexible agreement with lots broken down into separate areas, increasing specialities of the suppliers
- **Mini Competitions**
  Trusts have the option to run mini-competitions from the framework for large, bespoke pieces of work, in order to meet trust specific requirements
- **Multi-Trust Volume Based Discount**
  When combining their spend with other trusts, a large volume based discount can be achieved.
- **Range of Products**
  A large and comprehensive range of products are provided under the framework
- **Legislative Requirements**
  Tender process has already taken place so trusts are aware that all suppliers meet all legislative requirements
