

Contract Information

Endosurgery and Women's Health

SBS/16/MG/FXA/8865

Potential saving opportunities 2%

When does it start?

1st February 2017 – 31st January 2020 with the option of extending for 1 year until the 31st January 2021

Who can take advantage?

All Acute Trusts

What does it cover?

NHS SBS Procurement staff renewed a previous Endosurgery agreement, incorporating more lots, including women's health and laparoscopic instruments. NHS Stakeholders have been involved in the decision making process and this is supported by the NHS SBS strategic team
Lots included within Framework Agreement:

- Lot 1 – Access products
- Lot 2 – Electro surgery products
- Lot 3 – Stapling Products
- Lot 4 – Hand instruments
- Lot 5 – Field of Vision Products
- Lot 6 – Endometrial Ablation
- Lot 7 – Fibroid and Polyp
- Lot 8 - Miscellaneous

Why should I use it?

• KEY BENEFIT 1

Savings initiative across this agreement-majority of suppliers offering savings in their ranges. Larger portfolio of products across more lots has allowed us to initiate savings across the supply base

• KEY BENEFIT 2

Further cash releasing savings opportunities and options through providing commitment to either your current or an alternative supplier.

• KEY BENEFIT 3

A centralised agreement for direct purchase of Endosurgery Products with contract management & supplier communication provided.

• KEY BENEFIT 4

Ability to view the range of products and Suppliers through GHX/NEXUS, which supports the ordering and payment process
