

Healthcare Clinical Information System

Reference: SBS / 15 / CR / WAS / 8387

Potential saving opportunities

When does the framework start?

16/02/2015 – 15/02/2021

Who can take advantage?

NHS and Public Sector organisations*

Overview

The framework allows for trusts to purchase viable Healthcare Clinical Information Systems:

- Trusts are able to direct award or run further competitions under this framework
- Trusts have the ability to call off for a maximum of 60 months, with the option to extend for a further 24 months
- Trusts can use agreed call-off Terms & Conditions, which speeds up contract start dates

Benefits of using the framework

3 SERVICE OPTION LAYERS AVAILABLE

Trusts have the ability choose between Guidance, Light Touch or Full Support to help implementation

LONG TERM BENEFITS

Ability to award a contract for up to 7 years, allowing customers to benefit long term

MINI COMPETITION

The appointed suppliers will be able to bring forward new releases throughout the life of the agreement

EXPERT INPUT

Framework specification and evaluation conducted by a variety of experts including specialist clinicians, lead pharmacists and surgeons

The framework covers the following 6 Lots
