

Contract Information

Orthotics Products and Services

SBS/16/RC/GKB/9027

Potential saving opportunities – 2%

What is the framework duration?

10th October 2016 to 9th October 2021

Who can take advantage of the framework agreement?

Orthotists and Prosthetists; Orthotic and Prosthetic Technicians; Orthotics and Prosthetics Service Managers; Diabetes, Podiatry and Orthopaedic Clinicians; Procurement Leads

What does the framework agreement cover?

The Orthotics Products and Services framework consists of nine Lots and provides a wide scope for clinicians in both the Acute and Community Healthcare setting. It offers a broad range of off the shelf stock items and also allows for the provision of bespoke products. The framework has been structured in the following Lots:

- Lot 1 – Upper body - Standard stock and Superior stock Products, Adults only e.g. Neuro, Limbs.
- Lot 2 – Lower body - Standard stock and Superior stock Products, Adults Only e.g. Ankle walkers, braces and supports
- Lot 3 – Upper body - Modular and Bespoke Products, Adults only e.g. Cervical, Spinal braces.
- Lot 4 – Lower body – Modular and Bespoke Products, Adults only e.g. Footwear.
- Lot 5 – Paediatric Upper and Lower body – Standard stock and Superior stock products only
- Lot 6 – Paediatric Upper and Lower body – Modular and Bespoke products only
- Lot 7 – Postiche (Wigs) e.g. Modular Components, Valves, Endo and Exoskeletal Components.
- Lot 8 – Prosthetics – Adult and Paediatric - Upper and Lower body – Standard stock and Superior stock products e.g. Modular Components, Valves.
- Lot 8 – Prosthetics – Adult
- Lot 9 – Managed Service- various options

What are the benefits of the framework agreement?

DIRECT AWARD OR MINI COMPETITION

Provides a compliant route to market as well as the flexibility to direct award to a single supplier or run a mini competition.

ADDITIONAL SUPPORT

NHS SBS can manage the mini competition process as well as provide extra guidance & support.

CLINICALLY COMPLIANT AND FOCUSED

ISO 9001 compliant and procured with extensive input from Orthotics and Prosthetics specialist clinicians to ensure quality of products and service.

MANAGED SERVICE

The framework offers a flexible, wraparound Managed Service lot applicable for both Orthotics and Prosthetics where customers can tailor their service requirement according to patient needs.

CASH SAVINGS

Option for volume-based/Commitment % discount structure for reduced session fee and product pricing. Session fees are capped offered independently of any product commitment.

FLEXIBLE

Potential for products within the remit of the framework to be added.

DELIVERY OPTIONS

Direct delivery or delivery via the framework Neutral Wholesale Partner as an alternative route to market.
