

Contract Information

Respiratory Therapy Services including Equipment and Consumables - Reference: SBS/10161

Potential saving opportunities 5% - 10%

When does it start?

1st October 2021 – 30th September 2025

Who can take advantage?

The Framework Agreement is free to access for all UK Public Sector Bodies but is primarily aimed at the NHS.

What does it cover?

The framework covers all services, equipment and consumables used to treat the following conditions: -.

- **Sleep disordered breathing – products include CPAP, BIPAP and all facemasks, humidifiers, and other accessories**
- **For patients who require Non-Invasive Ventilation – NIV machines and all consumables**
- **For patients who require mucus clearance – devices to assist with mucus clearance**

The services provided by the successful suppliers include remote data monitoring, diagnostics, home delivery of consumables and assistance in redesigning patient pathways to assist with the need to see more patients but within a defined budget.

Why should I use it?

- **Comprehensive offer in one lot**

The agreement is flexible with Approved Organisations able to add to the service they require within one lot allowing customer to build up their requirements on a modular basis.

- **Direct Award**

The agreement gives freedom and flexibility for all Approved Organisations to choose the suppliers they wish within the remit of the Agreement

- **Competitive Pricing & Mini Competition**

Commitment Pricing and bulk order pricing is available from several suppliers. Mini competition may be undertaken to meet the bespoke requirement of each customer

- **Supplier Mix**

The Agreement contains all the key suppliers within this market.

Awarded Suppliers:

Air Liquide, Baywater, Breas, Clement Clarke International, Dolby Visisol, Drive DeVilbiss, Fisher and Paykel, Philips, Resmed and Smiths Medical International
