Who can take advantage?

Any NHS or Public Sector Organisations.

Why should I use it?

- **OJEU Compliant**

A detailed procurement exercise has taken place to ensure suppliers are appropriate in terms of meeting all legislative requirements. The framework contains provision for direct award and further competition, if required. NHS SBS can advise on a case by case basis.

- **Expertise**

This framework allows Approved Organisations to benefit from the expertise of the awarded suppliers in selecting the most economically advantageous solutions to meet their clinical and business requirements.

- **Clinically Approved**

Products are clinically approved following a comprehensive evaluation process by a multi-professional clinical stakeholder group. Pressures on public finance and the NHS price were considered alongside quality criteria based on a combined knowledge of the group.

- **Complete Solution**

This comprehensive agreement coupled with the following agreements provides SBS with complete framework coverage of these specialist clinical areas: Advance Wound Care Delivery (off script complete ordering, stock and delivery management service currently fulfilled by NWOS, ConvaTec & Hartmann), Beds Mattresses & Pressure Area Care and Topical Negative Pressure.
